

Georgia Public Health Training Center (GPHTC)

"Introduction to Economic Evaluation for Public Health Professionals"

Presented By: Dr. Phaedra Corso

Date: Thursday, December 1st, 2011, 9:00AM - 12:00PM

Location: UGA Gwinnett Center Campus Room 108

Economic evaluation refers to applied analytic methods used to identify, measure, value, and compare the costs and consequences of programs and interventions. This course provides an overview of these methods, including cost analysis, cost-effectiveness analysis (CEA), and benefit-cost analysis (BCA) with an opportunity for hands-on application of each. You will leave understanding when and how to apply each method appropriately in a range of evaluation contexts.

Free Parking Available

** Max. Enrolment 50 **

Registration: To register please create a profile username and password on <http://gphtc.org/>.
